Subject: EPA -DEP Inspections Next week
Attachments: Lab Assessment Checklist Mar 30 2010.doc

Dear Lab Safety Coordinators,

Next Wednesday August 11th three EPA inspectors and one DEP inspector will be on campus performing a multimedia inspection. The inspectors may visit any laboratory space at the University. Please ensure that your labs are in good shape for this inspection. Laboratory housekeeping, safety training and satellite accumulation areas will probably be their primary focus areas. Please see the attached EH&S lab safety checklist.

Sincerely,
Maureen
